

Demystifying SAS Dates

For Wells Fargo Users

WF Office Hours, 14 June 2024

Charu Shankar, Marty Hultgren

SAS Education

Copyright © SAS Institute Inc. All rights reserved.

Charu Shankar, SAS® Institute

With a background in computer systems management. SAS Instructor Charu Shankar engages with logic, visuals, and analogies to spark critical thinking.

Charu curates and delivers unique content on SAS, SQL, Viya, etc. to support users in the adoption of SAS software. When not coding, Charu teaches yoga and loves to explore Canadian trails with her husky Miko.

Marty Hultgren, SAS® Institute

Marty Hultgren has been using and teaching SAS for over 25 years. Well-versed in the data step, macro, and SQL, with experience using Base SAS, Enterprise Guide, SAS Studio, SAS Visual Analytics.

In his free time Marty likes to play guitar, hang out with his wife and dog, visit his far-flung kids, and travel.
